Tape & Reel

MADE IN
GERMANY

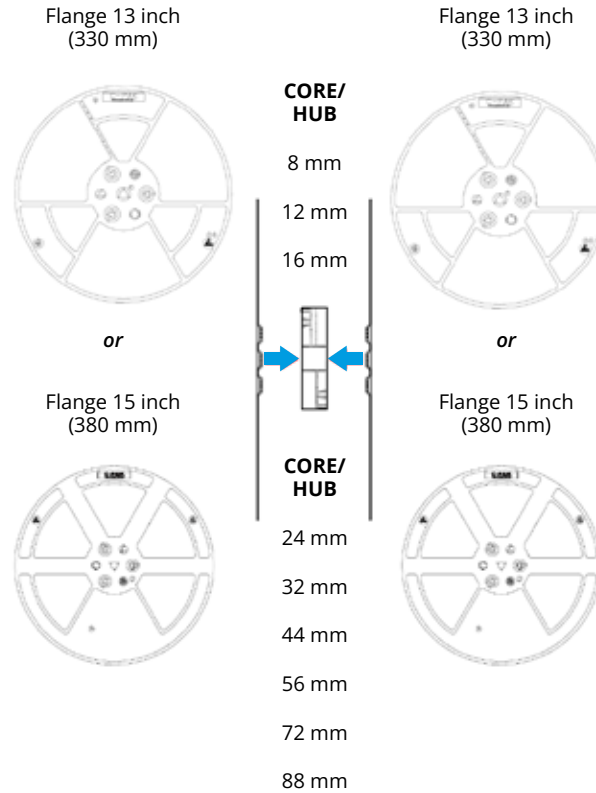

PLASTIC REELS

REEL SYSTEM 3-PARTS

Two flanges 13 inch or 15 inch are combined with a core from 8 up to 88 mm width.

PP REELS MADE IN GERMANY

The material is REACH and ROHS compliant.

Antistatic $<1 \times 10^{12}$ Ohm.

PP products can be recycled and processed again.

Our new reel system is made in Germany from locally recycled polypropylene. Thus we keep the distances short and the material in the cycle.

Choose a sustainable solution with our reels and contribute to the circular economy too.
